

To whom it may concern

This is to confirm that Doctor Manik Chopra visited the Vascular Center at Skåne University Hospital in Malmö, Sweden, between May. 2nd – 31st 2018. During his stay Doctor Chopra attended at a broad spectre of vascular surgery and endovascular interventions including advanced aortic stentgrafting. It was a pleasure to have Doctor Chopra with us and we look forward to seeing him again in Malmö.

Malmö, Sweden, June 1st, 2018

Tim Resch, M.D. Ph.D.
Associate Professor
Chief Vascular Center
